ABOUT CONFERENCE ELECTIVES

You are free to attend whichever elective you choose on the day, regardless of what sessions you indicated on our pre-event survey. But in case our surveys prove inaccurate, please be sure to be early to ensure a seat for electives that are particularly important to you! The CEO electives are for CEOs / Principals / Senior Pastors only, and your name tag will indicate this in the bottom corner.

CONFERENCE AND ELECTIVE FEEDBACK

We greatly value your feedback, for each elective, and for the conference generally. The Conference App provides feedback links for each elective, and immediately following the conference, you will receive a Survey Monkey invitation to provide overall comments and feedback. Please take the time to respond, as it helps us build you a better event next time!
